

KENTUCKY ASSOCIATION
OF HEALTH PLANS

KAHP brings together impactful organizations in the healthcare sector. We foster lasting relationships and continue the momentum building an effective, affordable, and accountable healthcare system for the Commonwealth.

WHY JOIN?

ADVOCACY / EDUCATION / INNOVATION / COLLABORATION

KAHP promotes opportunities and forums to meet, discuss best practices, exchange ideas, promote services, and discuss critical issues affecting healthcare. The result is stronger collaboration between health plans, vendors, the business community, provider and community stakeholders, and government partners. KAHP serves as your voice on regulatory and legislative issues in Frankfort.
